VACANCY – OUTSIZE & AEROSPACE DISPATCHER

📍 Location: Luxembourg, Munsbach Wallenborn Transports SA – Outsize & Aerospace

Wallenborn Transports is leading provider of specialized transportation solutions for the Aerospace industry. Due to continued growth, we are looking for a motivated and dynamic **Outsize & Aerospace Dispatcher** to strengthen our **Operations Team in Luxembourg**.

In this challenging and rewarding role, you will be responsible for coordinating complex transportation projects across Europe and beyond, ensuring that aircraft engines, Aerospace components, and other oversized cargo are delivered safely, efficiently, and in accordance with customer requirements.

YOUR RESPONSIBILITIES

- Plan and coordinate national and international Outsize & Aerospace transports.
- Manage day-to-day transport operations from order receipt to delivery.
- Communicate with drivers, customers, airports, handlers, subcontractors, and authorities.
- Monitor transport progress and proactively solve operational challenges.
- Arrange permits, escorts, customs formalities, and route planning where required.
- Ensure compliance with legal, safety, and company procedures.
- Coordinate loading and unloading, activities.
- Handle urgent AOG (Aircraft on Ground) and time-critical shipments.
- Maintain accurate operational documentation and records.
- Participate in shift-based operational coverage as required.

YOUR PROFILE

- Experience in transport planning, dispatching, logistics, freight forwarding, or aviation logistics.
- Strong organizational and problem-solving skills.
- Ability to work under pressure and manage multiple priorities simultaneously.
- Excellent communication skills and customer-oriented mindset.
- Good geographical knowledge of Europe.
- Experience with oversized transport operations is an advantage.
- Knowledge of customs procedures and permit management is a plus.
- Comfortable working in a fast-paced, 24/7 operational environment.
- Strong IT skills (MS Office, transport management systems, planning software).

LANGUAGE REQUIREMENTS

- Fluent English (written and spoken).
- German and/or French is an advantage.
- Additional European languages are considered a strong asset.

WHAT WE OFFER

- A challenging position within one of Europe's leading aerospace logistics providers.
- Opportunities to work with prestigious aviation and aerospace customers.
- Competitive salary package.
- Professional development and training opportunities.
- International and dynamic working environment.
- Modern workplace located in Luxembourg.
- Long-term career prospects within a growing organization.

WHY JOIN WALLENBORN?

At Wallenborn, no two days are the same. Our Outsize & Aerospace team manages some of the most challenging and time-critical transports in the industry. Whether it's supporting an AOG situation, moving a large aircraft engine, or coordinating a complex oversized shipment across Europe, your work directly contributes to keeping global supply chains moving.

If you thrive in a fast-paced environment and have a passion for logistics, aviation, and operational excellence, we would like to hear from you.
